# Prof. Yuning Wu: Postgraduate Course in TCM Gynecology

## ORGANIZED BY THE WITTEN/HERDECKE UNIVERSITY IN COOPERATION WITH LIAN CHINAHERB

**Prof. Dr. Yuning Wu is one of the most outstanding teachers in the field of Traditional Chinese Medicine in the world. The Witten/Herdecke University and LIAN CHINAHERB are glad to announce that Prof. Wu has agreed to give a two-year postgraduate course in obstetrics and gynecology, starting on May 2, 2009 at the Witten/Herdecke University.**

A great and experienced medical practitioner, scholar and teacher, Prof. Yuning Wu is proficient both in Chinese and Western Medicine. Prof. Wu's teaching style clearly aims at the practical benefit to her students. The organizers from the Witten/Herdecke University and LIAN CHINAHERB consider it an honour and a privilege that Prof. Wu is ready to teach here in Germany. Prof. Wu's postgraduate course in obstetrics and gynecology starts in May 2009 and

will be completed with an exam in October 2010. Course fees will amount to € 1750.– (reduced fee available, see below).

Whoever can find the time and energy should not miss this opportunity. An additional requirement is sufficient fluency in English, as Prof. Wu teaches in English and we do not offer any interpreting services.

## Notes on Your Lecturer Prof. Yuning Wu

Yuning Wu, M.D., is Professor of Integrated Chinese and Western Medicine at the Capital University of Medical Science and Chief Gynecologist at the Beijing Hospital of TCM. Prof. Wu is also in charge as Director of the Beijing Obstetrics and Gynecology Committee.

Graduated in Western Medicine from the Beijing Medical University in 1970, Yuning Wu took up her TCM studies at the Beijing College for TCM. She then specialised in obstetrics and gynecology at the University of Ottawa. For more than five years Dr. Wu followed Chai Songyan, gynecologist and one of the most eminent TCM practitioners in China, working as her main assistant.

Besides her clinical and scientific activities, Prof. Wu has been sharing her knowledge and experience to students for more than 30 years. She was

Visiting Scholar at the Yale University and the University of California, San Francisco, and has been giving lectures and courses in Germany, Austria, Switzerland and other countries.

Prof. Yuning Wu obtained several scientific prizes. There are more than 50 scientific publications covering her research work, and as a co-author she contributed to five books, among which «A Practical Handbook on Infertility and Sterility».
